

EVmo Partners with Trek World USA on a Three-Year, Multi-Vehicle Agreement

- *The vehicles are dedicated to the Trek World USA Workforce Development Program designed to support Healthcare Transportation for all*
- *Opportunities to expand with Trek World USA in additional states*

Los Angeles, CA, October 3, 2022 — EVmo, Inc. (OTC: YAYO), a leading provider of vehicles to the rideshare and delivery gig economy industry, today announced the signing of a three-year, multi-vehicle agreement with Trek World USA that will provide vehicles for use in non-emergency healthcare transportation. The agreement will initially be in the state of Illinois and then expand nationwide over the next three years.

“Corporate services are an exciting growth area for EVmo,” commented Stephen Sanchez, CEO of EVmo. “As we continue to build out our fleet, partnerships like this will help us expand our geographic footprint and strengthen our already high fleet utilization metrics. We are excited to partner with an innovative industry leader like Trek World USA and look forward to growing with them in Illinois and other locations to help them meet the transportation needs of underserved communities.”

Pierre Shuttlesworth CEO of Trek World USA stated, “This partnership with EVmo and Trek World USA will transcend how citizens have access to healthcare and employment opportunities to support the ecosystem of the Healthcare transportation services network”.

EVmo will initially provide Trek World USA with 20 four-door sedans to be used for non-emergency healthcare transportation, such as trips to hospitals, doctor’s offices, and other medical and health providers. The initial term is for three years with rate adjustments every six months.
